Building In GC Declines \$1,000,000 During 1962

New Construction Down To \$4,232,200 From \$5,919,000 In 1961

Construction in Granite City during 1962 was down by more than a million dollars from the preceding 12-month period, according to building permits issued, marking the third consecutive year it has shown a decline.

Total cost of 1962 building projects of all types amounted to \$4,232,200, compared to \$5,918,851 in 1961 and \$6,850,438 the year before. In only one month last year—November—was the total equal to that of the same month in 1961.

Building in 1962 got off to a slow start, partially because of inclement weather in January. In that month, only 13 building permits were issued. Permit totals failed to climb to those of the preceding year for the first 10 months.

The November construction, \$1,119,918, saved the total for the year from falling even farther below that of the preceding 24 months. A permit for a \$794,000 hot roll plate line and mould foundry extension at the Granite City Steel Co. accounted for the entire upsurge.

New Home Permits
March, September and November were the only months last year in which permits issued by City Building Inspector J. J. Bloemquist totaled as much as \$500,000. In 1961, construction permits issued during the same months surpassed that amount.

Permits for new homes provided a major portion of the totals in the spring months, when there was an absence of commercial and industrial construction. Nine new home permits during the last week of April were the major items of that month's list, and seven more were issued in June, when the month's total amounted to only \$207,300.

Construction in 1962 reached its low point of the year in October, when permits slumped to \$43,863. Lowest total during 1961 was in November, when permits totaled \$109,706.

Building permits are looked upon as one measure of the local economy.

Guns, Appliances Taken At Western Auto; Eads Grocery Robbed Again

Loot valued at \$2000, including shotguns, rifles, pistols, radios and smaller items, were stolen in a burglary discovered Saturday morning at Western Auto Store, 2001 Grand avenue.

Also over the weekend, 16 other thefts were reported in the area, including a \$2000 pickup at Eads Grocery, 2512 Namsdell road; burglaries of two schools in Madison, four break-ins of homes, thefts of two autos, one of which was recovered and two youths taken into custody.

At Western Auto, a rear window was broken by the thief who reached inside to unlock the door.

Lyell Tatum, proprietor, who was summoned by police about 10:30 p.m. today, said the inventory still is being conducted.

Listed as missing are six shotguns, six pistols, 12 transistors, two telescopes for rifles, an assortment of pocket knives, flashlights and ammunition.

The break-in was discovered by patrolling police, who stopped to check the broken window and saw boxes scattered about inside.

Second Stickup At Eads
A bandit pair, believed to be the same men who staged a \$414 storen stickup Dec. 21, held up Eads Grocery, 2512 Namsdell road, today at 5:02 p.m. Saturday. The bandits, who were armed with a .38 Smith & Wesson and a .38 S&W, were in the store. No one was injured.

When a man remained in an auto parked at the front of the store, the other entered—armed with a snub-nosed revolver—and ordered the cashier, Mrs. May Ridenhour, 1936 Joy avenue, to put the money in a paper bag. In the first stickup, the bandit specified a No. 2 paper bag.

The bandit, described as about 20 years old, with dark hair and wearing a light blue cap, black leather jacket, white tee shirt and blue jeans, calmly cut the telephone wires with a pair of snippers while Mrs. Ridenhour was sacking the money.

When Mrs. Ridenhour asked if he wanted the change, the bandit replied with a sharp "No."

Grabbing the sack, he left through the front door and climbed into the waiting auto, which sped off south on Namsdell road.

The car was described as either off-white or yellow in color. It was a 1952 or 1953 Pontiac, witnesses told police.

At least two other cars were rushed to the area, and descriptions were broadcast to area motorists.

A store clerk, James Coffman, 2606 Kirkpatrick homes, was not injured.

United Fund Sets Date For Annual Meeting, Election

The annual membership meeting of the Tri-Cities Area United Fund will be held at 7:30 p. m. Tuesday, Feb. 19, at the YMCA to elect 15 directors for three-year terms and one for a one-year term. A nominating committee will select a slate of candidates for the offices.

Any person who contributed to the United Fund may attend and vote. The membership also may make nominations for the floor.

The newly-constituted board will then elect its officers.

Two other United Fund meetings will be held this month, it was announced today.

The executive committee will convene at 4:30 p. m. Thursday, Jan. 17, at the United Fund of Illinois to consider the possibility of cutting the agency allocations. The admissions and distributions committee also must agree before the agency budgets are trimmed.

The 1962 fund-raising campaign to provide the money for the 17 previously-approved agency budgets fell short of its goal by \$841. Money still is trickling in to the United fund office but in small contributions.

The campaign now has reached 98.2% of the \$299,231 campaign goal, an increase of three-tenths of one per cent during the past 10 days.

Further receipts will cut the amount further that will be considered as a reduction in agency budgets.

Also planned for this month at a date yet to be announced is the annual awards meeting at which outstanding campaigns and employee groups that excelled in the drive will be given plaques.

Fined After Accident

Billy Joe Smith, 22, of 3030 Sken street, Madison, was fined \$105 Saturday at a hearing before Madison Police Magistrate John Brickel on a careless driving charge. The charge arose from an accident Thursday night at Third street and McCambridge avenue in which four persons were injured.

he hopes painting of the bridge can be undertaken next year.

First Maximum Payment
Under terms of the bond ordinance which made purchase of the bridge possible, actual cash revenue the city may derive from bridge earnings is limited to \$100,000. Other earnings over expenses go into reserve funds, including one for early retirement of bonds. Last year was the first time bridge earnings were sufficient to pay the city the maximum amount.

In other action, the council approved a report of the Venice fire department which showed a per capita fire loss of \$3.34 in 1962. Total loss of property and contents, other than railroad and industrial, amounted to \$17,855. Value of property and contents where fires occurred, except railroad and industrial, amounted to \$225,485.

The department answered 95 fire calls during the year, two of which were false alarms. Seventeen were dwellings, 25 grass and rubbish, 20 auto and truck, four industrial, six out of town, six rescue calls, three sheds and garages, four stoves and flues, three commercial and five railroad fires.

Dec. Police Report

Police Chief Frank DeWitt reported 49 arrests during December. He said 29 of those arrested paid fines and costs totaling \$500. Disposition of the others did not involve collection of fines or costs.

The council approved three building permits, one to Royce, Real Estate Co. for construction of a \$13,500, five-room house at Fifth and Fillmore streets. Elroy Loving received a permit for a \$150 carport at 1206 Calhoun, and Clarence Langston was given a permit for addition of two rooms at 644 Jefferson street. Cost of the latter was not given.

Alderman George Mangiaracina, chairman of the building committee, reported that all contract work on the new city garage in Klein street is expected to be finished this week. He said the street department should be able to move into the structure Monday.

Carless Driving

Samuel Crawford, 34, of St. Louis was arrested by Venice police Friday afternoon on a speeding and careless driving charge. He appeared before Police Magistrate Wesley Edwards and was assessed fines and costs of \$30.

AWOL Soldier Arrested

Wild Driver, 19, Fined \$87 On Three Charges

Two youths were apprehended Friday afternoon following complaints about "hotrodding" on Bryan avenue. Patrolmen Harry L. Mitchell Jr. and Joseph J. Nemeth were dispatched to the scene.

They observed the auto turn into an alley behind the 2400 block and stop in the yard at the rear of number 2412. Two youths jumped out.

Police arrested Clarence "Carli" Hoffman, 19, of 2700 20th street, who admitted being the driver. The other youth escaped.

The auto rolled back into the police squad car, damaging the front door to the extent of \$32.50. Hoffman was charged with reckless driving, having an improper muffler, destruction of city property and having no valid state license. He was fined a total of \$87.50 by Police Magistrate Gasparovic Saturday morning when he pleaded guilty to the first three charges. The license charges were dismissed because the auto was not his.

Danny Farley, 18, of 2429 Bryan avenue, the owner, was arrested at home a short time later for investigation and for leaving keys in an unattended motor vehicle. He was released on \$18 cash bail. It was not established that he was the other youth riding with Hoffman.

Local Group Attends Episcopal Enthronement

The Rev. David E. Nyberg, rector of St. Bartholomew's Episcopal Church, and Mrs. Nyberg, Mr. and Mrs. Donald McDonald, Mr. and Mrs. Walter Harris and Mr. and Mrs. Edward Harris were in Springfield Sunday to attend the enthronement of the Rev. Albert A. Chambers, Episcopal Bishop of Springfield.

The ceremony symbolized the bishop taking possession of his church for the cathedral is the enthronement is the formal seating of a bishop in the episcopal chair or throne (cathedra) in his cathedral.

The Rev. Nyberg served as deacon. A reception and buffet supper at the Leland Hotel followed the service at the cathedral.

The sermon in connection with the service was delivered by The Very Rev. John V. Butler, D.D., S.T.D., Dean of St. John the Divine in New York City.

Strikes Parked Auto

The auto of Samuel M. Rosch, proprietor of the Venice Liquor Store at 38 E. Third street, was struck by the auto of William Spencer, 101 Weaver street, Venice, Wednesday afternoon. Police said Spencer was leaving a parking space. Both vehicles were damaged slightly.

Percy D. Crenshaw, 28, of 1223 Calhoun street, Venice, was assessed a fine and costs totaling \$20 Saturday by Venice Police Magistrate Wesley Edwards on charges of careless driving and passing a stop sign. He was arrested Friday night.

Service Teams Named For Uniwah District Program

A new commissioner organization for the Uniwah District of the Cahokia Mound Boy Scout Council was announced Thursday evening by Bernard Miller Jr., district commissioner.

Miller, who presided over the monthly session of Uniwah commissioners, held at Granite City high school, said the new organizational staff pattern is designed to serve more institutions and units in 1963.

Two service groups will be headed by Louis Lasiter and B. J. Rodgers.

Service teams under Lasiter's direction will be headed by Assistant District Commissioners Clarence Windsor, Lawrence Ritchie, Leonard Robbers and Edw. Stone. Rodgers' service teams will be led by Assistant District Commissioners Floyd Pitchford, Sherrell Byrd, Les Schermer and Harold Rush.

Award presentations also were made during the meeting.

Service stars for scouting ten years were presented to Rush for 13 years, Ritchie for seven years, John Dougherty for six years, A. Becker and Leonard Robbers for five years and Robert Blackard for three years.

Daniel Brown, district scout executive, presented plaid stamps to commissioners who helped enroll new boys during December in the last-minute drive for "go home" membership. They were Ritchie, Stone and Schermer.

Clay Breihan, council field director, was introduced by Miller. Breihan has been assigned to the scout executive to service the Uniwah District.

Barkeep To Be Called For Questioning

The Madison county sheriff's office has turned over to the liquor control commission and the state's attorney the liquor purchase report on a teenage drinking party at Pontoon Beach, Dec. 26. No action has been taken on the matter yet, however.

According to the sheriff's report, one of the youths involved claimed liquor for the party was purchased at Lesko's tavern on McCambridge avenue, near Madison.

The party took place at the home of Harley J. Ahart, 19, of 4235 Lakeside drive. Eleven Quad-Cities boys and girls ranging from 13 to 19 attended.

A spokesman for the liquor control commission said Joseph Lesko, the operator of the tavern, probably will be called in for a conference before a 1963 license is considered. No formal hearing is planned, he said.

H. D. Wellman Replaces Causey At Nestle Plant

Louis R. Causey, manager of the local Nestle Co. plant since August 1958, will leave Wednesday for the firm's Fulton, N. Y., plant to enter the chocolate division. He will be succeeded here by H. D. Wellman, who was manager of a milk plant for the firm at Maryville, O.

Wellman's wife and three children will join him here in the near future.

Causey, who lives at 19 Oaklawn drive, said his family will remain here through June since his son, Pat, is to be graduated then at Granite City high school. Causey said he will take a training course at the Fulton plant before being assigned in Nestle's chocolate division. He has been in the instant coffee division, and this will be his first assignment in the chocolate field.

MONEY

WANTS

(TICE!)

These U.S. Savings Bonds are owned jointly by a husband and wife. The money that bought them says two things:

It says, "Here is a family that wants to do its share in keeping our country strong—wants to help give it the means and the power to speak for and work for the Free World."

It also says, "Here is a family that saves to provide for its future. Here is a family that contributes to the strength of its country by keeping itself strong and independent."

Join up with the tens of millions of American individuals who are showing the communist part of the world how they are helping to keep their country and the Free World strong.

It's easy. Just sign up for Payroll Savings at work, or for a monthly Bond at your bank.

And don't feel any less patriotic about it because you're getting a good return on your investment. Your personal financial strength is part of the strength of the whole nation.

Keep freedom in your future with

Tobacco Is Topic Of WCTU Meeting At Bryant Home

The January meeting of the Woman's Christian Temperance Union was held Friday evening in the home of Rev. and Mrs. J. T. Bryant, 2531 East 25th street.

Rev. E. V. Campbell, assistant pastor at Niedringhaus Memorial Methodist Church, led devotions and discussed the evils of tobacco. The service closed with prayer by Rev. Bryant, pastor of Trinity Methodist Church.

Mrs. William Schooley presided and there were reports by the officers and a number of department heads.

A report was made on the purchase and placing in the public library of a book as a memorial to Mrs. John Appel, a member of long standing recently deceased.

Mrs. Pearl Campbell will be hostess in February and the suggestion was made that the annual Frances E. Willard Memorial tea be held in connection with the regular meeting.

Mrs. Bryant and her assistant hostess, Mrs. Lela McElroy, served refreshments to 19, including Rev. Campbell, an honorary member, and Rev. Bryant, who was enrolled as an honorary member.

MISS JERRY RAY RITCHIE, a bride of Saturday. Before her marriage she was Carole Jean Tessary, a daughter of Mr. and Mrs. Adolph A. Tessary, 1827 Spring avenue.

Miss Carole Jean Tessary, Jerry Ray Ritchie Are Wed

One of the first of the post-holiday weddings was that Saturday evening at First United Presbyterian Church of Miss Carole Jean Tessary, a daughter of Mr. and Mrs. Adolph A. Tessary, 1827 Spring avenue, and Jerry Ray Ritchie, whose parents are Mr. and Mrs. John H. Ritchie, 4223 Highway 111.

Rev. David Maxton officiated at the 7:30 o'clock ceremony using the double-ring service.

David West, soloist, sang the Lord's Prayer, accompanied by the organ by Kenneth MacClatchey, who played the wedding marches.

Mr. Tessary escorted his daughter down the aisle, and Robert Harris, Bill Sedlar, David Partney and Wayne Lineberry were groomsmen and ushers.

For her daughter's wedding Mrs. Tessary wore a broad-based champagne sheath dress with a matching jacket, brown accessories and a corsage of bronze tipped, pom poms. The bridegroom's mother was in a pale blue tulle dress with blue accessories. Her flowers were blue tipped carnations.

A reception was held at the Polish Hall in Madison directly after the ceremony. Miss Judy Pfaff presided over the guest book.

The bride and groom are both graduates of the Granite City high school. Mr. Ritchie is employed by the Southwestern Bell Telephone Co., in St. Louis and his bride by Granco Products, also in St. Louis.

DON'T RELY ON "EMPTY CALORIES."

Despite the variety of food available to everyone, most people have an insufficient diet. They get plenty of calories, but many lack the elements needed for vital organs.

AVERAGE DIET IS INSUFFICIENT.

It contains too many "empty calories" and important vitamins needed for growth and energy are lost by cooking and exposure before eating.

WHICH VITAMINS DO YOU NEED?

There are many different formulas available and Your Doctor can tell you the one best for you. Don't let a door-to-door peddler, or a mail order firm be your physician.

DEPEND ON US FOR QUALITY.

Miss Judy Cox And Wm. Shaw Are Betrothed

Announcement has been made of the engagement of Miss Judy Cox, whose parents are Mr. and Mrs. Oscar Cox, 2511 East 24th street, and William Shaw, a son of Mr. and Mrs. Elmer Shaw, Rural Route One, Bethalto, Ill.

The news was told at a holiday party at Olivet Nazarene College in Kankakee, Ill., where both young people are enrolled.

The bride-to-be, a 1961 graduate of the Granite City high school, is a freshman student, majoring in music.

Her fiancé, who was graduated in 1960 from Civic Memorial high school in Bethalto, is a junior in college. He is preparing for the ministry.

Their wedding plans are indefinite.

Two Clubs To Aid In Drive For 2110 Stuffed Toys

The Junior Minerva Woman's Club and the Maecenas Club, headed by their presidents, Mrs. Billy Terrell and Mrs. Donald Brumleve, are joining with the 211 Junior Women's Clubs of Illinois in making 2110 stuffed toys for the children of the S. S. Hope's port of call.

Project Hope is a people-to-people program aimed at understanding and friendship. Aboard the medical ship S. S. Hope, American medical skills and techniques are taught to the people of other nations in their own environment, and others are learning about the illnesses and diseases they are faced with.

In its first year, the S. S. Hope medical team, which consisted of 121 American volunteer medical and health personnel, and the joint Indonesian and South Viet Nam medical teams, selected 28,000 patients for medical treatment, performed 1800 major surgical operations, mass inoculated involving over 250,000 doses of vaccine, performed oral surgery for the first time in Viet Nam, and donated 8,000 medical books to hospitals and clinics.

The "Iron Cox" aboard ship made possible the distribution of more than 80,000 pints of milk to the children and patients in Saigon, and Orthopedic Rehabilitation Center conducted and maintained by Hope. At present, S. S. Hope is in Peru continuing its work.

The Academy Award winning documentary, "The Voyage of the S. S. Hope" is available to interested organizations. For further information the president of either club may be contacted.

St. John Guild Plans 'Tasting' Pot Luck Luncheon

"Partners With God—Praying, Working and Thinking" was the theme of the coming year's program presented at the January meeting of the Afternoon Guild of St. John United Church of Christ by Mrs. Genevieve McComis, who also gave an interpretation of the Guild hymn "Take My Life and Let It Be," as the hymn was sung by Mrs. Georgia Surkey.

"Turn Aside and Hearken" was the topic of the devotional service led by Mrs. LaVerne Krauskopf.

Two new members, Mrs. Maud Schmidt and Mrs. Marie Wille, were welcomed by the Guild president, Mrs. Ethel Holtzinger, and a review of the past year's activities of the group was given by the retiring president, Mrs. Alysia Seipel.

Feb. 7, the next meeting date, has been designated as a "work and fun" day. The ladies will meet at 9 a.m. to make cancer dressings and for the Bible study.

A pot luck "tasting" luncheon will be held with all foods prepared from recipes in the new cookbooks compiled by the guild.

The regular business meeting will take place at one o'clock.

Fifty-eight were present at Thursday's meeting.

Far Eastern Theme For St. Peter Guild Meeting

A Far Eastern theme was used Thursday afternoon at a meeting of the Women's Guild of St. Peter United Church of Christ, 21st street and Cleveland blvd.

Forty-one members were present for a 12:15 luncheon and seated at tables set with mats and place cards in keeping with the theme. There also were Japanese figurines, umbrellas and chopsticks in the decorative scheme and the luncheon served was in keeping with the occasion.

The missionary committee was in charge of the devotional service and the topic was "The Rim of East Asia." Talking part was Mrs. Gladys Kadary, chairman, Mrs. Iona Williams, Mrs. Blanche Gshert, Mrs. Florence Hadaller and Mrs. Dorothy Buete.

Mrs. Estelle Monken, president, conducted a business discussion during which a contribution was made to the Back Bay Mission in Biloxi, Miss., and all members were urged to attend the Social Action Institute to be held in Columbia, Ill., Jan. 16.

Mrs. Monken also reminded the group of "Blanket Sunday" which the Guild, in conjunction with the Illinois Council of Churches, will observe March 10.

Mrs. Johanna Lampe was appointed as a representative from the Guild to the Quad-City Council of Church Women, and also was named to the board of Christian Education of her church.

Coming events announced included the dinner the Guild will serve to the Knights of Pythias on Saturday, Jan. 26, and the annual sausage supper of the Brotherhood to be held Feb. 13.

A combined meeting with the Evening Guild will be held on Monday, Feb. 4, at 7:30 p.m.

Fatima Circle Gives Clothing To Catholic Charities

Our Lady of Fatima Circle, Daughters of Isabella, opened the new year with a meeting Thursday evening at the K. of C. Hall presided over by the regent, Miss Millie Nagel.

Thirty-three were present, and special guests were Rev. Lawrence Mattingly, the new chaplain, and Rev. Charles Mulcrone of the Catholic Charities.

Rev. Mulcrone accepted on behalf of Catholic Charities a Christ Child shower of clothing for children from the ages of one to 16, an annual gift from the Circle.

Letters of appreciation were read from the Children's Home and the Little Sisters of the Poor in St. Louis for Christmas remembrances, and the birthdays of two members, Mrs. Helen DeBuniz, and Miss Dorothy Hoedebecke, were observed.

The social committee chairmen were Mrs. Florence Byrne and Mrs. Julia Lang. Refreshments were served after the meeting.

Chairmen of the February meeting will be Misses Helen and Betty Heller.

GC Downs Pesky Oilers For 4th SWC Win

Redmen Lead All The Way; Final 64-54

Granite City zipped to an 8-1 first quarter lead, upped it to as many as 17 points in the fourth period, but repeatedly had to beat off rallies by pesky Wood River before downing the Oilers here Saturday night, 64-54, in a Southwestern conference basketball contest.

Bob Horton's club never led in the game, but twice pulled to within one point of a tie in the second quarter. They puzzled the Warriors with a 1-3-1 zone defense for three quarters, then bit into a commanding GC lead in the fourth period.

But Wood River could not match the hot hands held by four GCIS players in four separate quarters.

Larry Lilley banged in eight points in the opening period, streak shooting. Larry Wortham added eight in the second quarter, George Moore canned 11 in the third stanza and Jim Proffitt warmed up to score seven in the final eight minutes.

Both clubs shot well in the low scoring game, which gave Granite City a 4-1 conference mark, second only to Belleville's 5-1 record.

The Maroons won twice in weekend SWC action, outrunning Edwardsville 92-85 on Friday and tripping Alton Saturday, 63-53. Collinsville also stands 4-1 after trimming Alton 70-56 Friday and Edwardsville Saturday 97-92.

In another high-scoring affair involving the Tigers, Wood River had scored its first conference win Friday night, turning back East St. Louis 51-38.

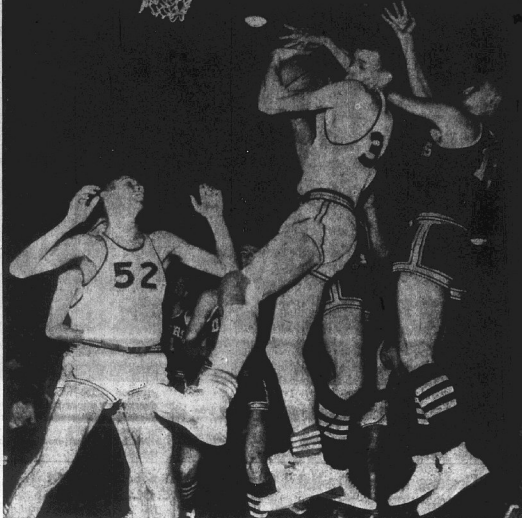

The Warriors hit better than 46% of their shots against Wood River, while outdishing the visitors 30-23 on the boards. Moore, who had an off night from the field, pulled down 12 rebounds himself and showed some good defensive moves.

He finished as the game's high scorer with 18, most of them coming after he was moved outside to a high post to offset the Oilers' double and triple teaming tactics in the first half.

Granite City could not add to its early advantage in the first half and led 30-22 at intermission. But the Warriors solved the Wood River defense in the second half and pulled away to a 59-42 advantage early in the final period.

Horton switched to a pressing man-for-man defense at this point, but lost starters Dick Estes and Dean Boren on personal fouls before Granite City got into serious trouble.

While the Oilers were having their best night of the season at the free throw line (12 for 16), Granite City missed often there and hit only 12 of 23.

COME TO PAPA. Jim Cant of Granite City wraps both arms around a missed Wood River shot here Saturday night, while the Oilers' Dave Barach (13) appears to be holding hands with Cant in his attempt to swipe the basketball. No. 52 is Warriors' George Moore. Granite City won 64-54 to preserve its second place tie in the Southwestern conference.

Wood River finished with a 42% field goal percentage, and hit a warm 46% in the last half, rimming six straight shots at one point in the third period.

Granite City jayvees, with sophomores carrying most of the load, took the preliminary contest, 56-43. Ron Yates led scorers with 15 points, while Joe Hauptman cannaed 13 and pulled down 11 rebounds.

The varsity scoring: Granite City — George Moore 18, Jim Proffitt 14, Larry Lilley 14, Larry Wortham 13, Jim Cant 2, Elton Hall, 2, Charlie Papp 1, Larry Noblin 0, Glen Hoffman, 0, George Brink 0, Barry Sykes 0, Rich Rousseau 0, Jim Warren 0, Ron Yates 0, Wood River — Dean Boren 15, Terry Brown 14, Dave Barach 10, Francis Eaton 9, Dick Estes 6, Wayne Heine 0, Mike Coulson 0.

Score by quarters: Granite City 11 19 22 12-44; Wood River 9 13 16 16-54.

Schlitz Sweeps 3; Madison Is Beaten

Bowland Schlitz scored a 3-0 sweep against Shop City Bowl in Southwestern Illinois BPA Classic league bowling Saturday night at Fairmont Bowl, while Madison Bowling Club dropped two of three games to the Alton Falstaffs.

First place Fairmont was a 2-1 winner over Millstadt Bowl, and Cahokia Bowl also took the odd game from Adams Gordon Realty of Centerville's Touchette lanes.

High individual scores in the matches were Ray Snelling, who hit a 258 single for Millstadt, and John Stankus of Fairmont, who rolled a 643 threesome.

Falcons 38-27 Winners At St. Peter & Paul

Sacred Heart scored a 38-27 win over St. Peter & Paul in Collinsville Friday night in a Parochial grade school conference basketball game. Panastot of Collinsville paced all scorers with 26 points, while J. J. Christoff was high for the Falcons with 12. The losers were 17-11 leaders at halftime.

St. Peter & Paul won the preliminary "B" team game, 48-27, after leading 16-14 at halftime.

Its Maroons Against Field At Dupo; Warriors Play O'Fallon On Thursday

Heavy favorite and defending champion Belleville will seek its second tournament title of the current high school basketball season this week in the annual Dupo invitational tourney, which begins Wednesday night.

The Maroons, whose 12-1 record includes victories in their eight latest starts and the first place trophy at the tough Centralia holiday tournament, oppose Jewellville's Panthers at 7:15 p.m. Wednesday.

Belleville Cathedral (6-2) will take on Alton (5-5) in Wednesday's second game at 8:45.

Granite City's Warriors, showing an improved 8-3 mark for the season and triumphant in their last four contests, tangle with O'Fallon's Panthers Thursday at 7:15. Freeburg and host Dupo (1-7) complete first round.

Championship semifinals will be played at 7:15 and 8:45 Friday, consolation semifinals on Saturday afternoon and consolation and first place trophy games at 7:15 and 8:45 Saturday night.

Venice GS Rallies, Downs Southwestern

Down 23-14 at halftime, Venice grade school staged a big second half comeback at Southwestern Friday night and preserved its winning streak in the Grade School basketball conference with a 40-35 victory.

Richard Estington of Venice was the game's top scorer with 23 points, 19 of them gathered in the second half. Venice stands 8-0 in conference play and 14-1 overall, and plays Beathito grade school in Venice Wednesday at 7 p.m. Beathito is also unbeaten in conference play.

Southwestern won Friday's "B" team game, 38-25. Rod Bauder had 12 points for Venice.

Air Pollution Study Meeting Set For Jan. 17

An orientation meeting of agency representatives interested in an area-wide, two-state air pollution study has been set for Jan. 17 in Kiel Auditorium, St. Louis.

The session, which will begin at 8:30 a.m., is sponsored by the Interstate Air Pollution Study Group in cooperation with the Public Health Service.

To be taken up at the meeting are the following topics:

"What is in the air?" "Sources of air pollution?" "Transport, measurement and control of air pollutants?" "Effects of air pollution on property and vegetation?" and "Effects of air pollution on animals and man."

Also to be presented is a report on the interstate air pollution study.

Participating agencies include the Bi-State Development Agency, East Side Health District, East St. Louis, Illinois Department of Public Health, St. Louis Division of Air Pollution Control, St. Louis County Health Department, Missouri Division of Health Service.

Paul D. Stout, a former business office manager in Kansas City, Mo., has been named to replace George Maue as head of Southwestern Bell Telephone Company's commercial operations here.

Maue, who has been in the Granite City office since July 1, 1961, has been named commercial staff assistant in the telephone company's division commercial office in St. Louis, effective immediately.

Stout holds a bachelor's degree in business administration from Northeast Missouri State Teacher's College, Kirksville. He attended high school in Charleston, Ia.

He joined the telephone company in June 1961 and underwent a training program for college graduates. Married and the father of an eight-week-old son, Stout plans to make his home in Granite City.

Maue is a member of the Tri-Cities Chamber of Commerce board of directors and public relations committee. He has been active here in the First United Presbyterian Church and the United Fund drive.

The change at the office here was announced by William L. King, Southwestern Bell's district manager.

Special Testing To Be Given 200 ASH Patients

About 200 Alton State Hospital patients will receive special testing through a mental health research program to be directed by Dr. Raymond B. Cattell, University of Illinois research professor.

Goal of the program is to establish more effective methods of differentiating various forms of mental illness.

Cattell, Dr. Martin Cohen, Jacksonville State Hospital psychology department supervisor, and Keith Dicks, Jacksonville psychologist, met with Alton State Hospital officials last week to discuss the program.

Dr. Abraham Simon, superintendent, said it was decided the testing should be done soon after a patient's admission. Cattell's new factor analytic methods and Objective Analytic Battery of Tests will get their first major use on suspected psychotics in the Alton State Hospital.

Information from Cattell's tests will be statistically analyzed at the University of Illinois to determine how psychotics differ from normals and from neurotics whose test patterns are known from previous research.

The program will require at least a year—a minimum of six months to gather data and six months to analyze it.

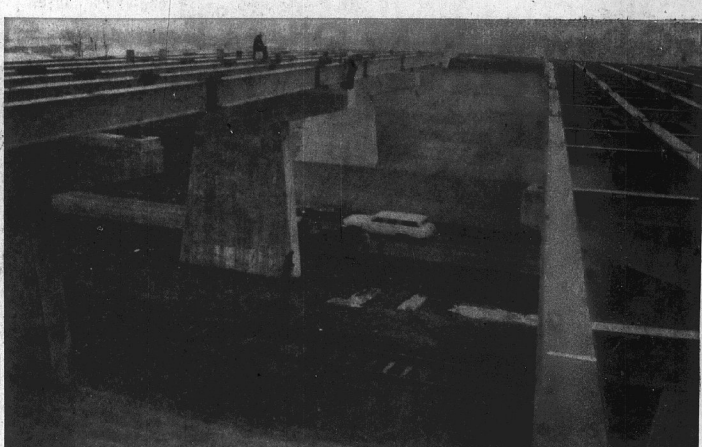

Cattell is to return to the hospital Tuesday and Wednesday. He will meet with Dicks, Glenn Gerber, Alton State Hospital psychology intern, and other hospital representatives.

Coroner's Office Operates At Loss

The Madison county coroner's office operated at a deficit of \$174 during the six-month period ending Nov. 30, according to a report of the county officers committee.

The report showed receipts of \$6118 during the period and expenditures of \$6292. Expenditures include \$4750 salary for Dr. W. W. Billings, coroner. Committee chairman Harry A. Briggs, Nameoki township supervisor, told the county board the loss brings the total deficit in the coroner's salary to \$4966.

The coroner is paid from fees of his office, and not from county funds.

Liquor Licenses Issued To 3 Near Quad-Cities

Three establishments in unincorporated areas near the Quad-Cities were among those issued 1963 liquor licenses last week by Gus Haller, county liquor commissioner.

One was a new license, received by Lois L. Henderson for operation of the Lois Brooks restaurant on Route 162 about a mile outside the Granite City limits.

Licenses renewed included those of Lucille V. McClelland for Lucille's tavern at 1918 Sixth street, just outside the Madison limits, and to the Horseshoe Lake Rod and Gun Club, Inc., in Nameoki township.

Haller said 14 of approximately 140 taverns in unincorporated areas of Madison county have received their 1963 licenses. The county liquor license, good for the calendar year, costs \$300.

Adult Education Class Registration Continues

Registration will continue through Thursday for adult education classes at Granite City high school, according to M. A. Wittevrangel, director of the adult education program.

The adult classes will begin next Monday, with courses to include art, homemaking, bookkeeping, stenography, English, mathematics and industrial subjects.

Registration for classes is conducted from 8:30 a.m. to 4:30 p.m. and from 6 to 9 p.m. daily at the adult education office at the high school.

Pre-Natal Class Starts Tuesday At Hospital

All expectant parents are invited to attend the pre-natal classes starting Tuesday, given by the registered nurses of the maternity floor of St. Elizabeth Hospital. The series, consisting of films, lectures, demonstrations, is presented periodically throughout the year and is given free to all expectant parents.

The first class will be held tomorrow from 1 to 3 p.m. in the solarium on the second floor of the hospital. Succeeding classes will be held on each Tuesday of the three following weeks.

The pre-natal program includes areas of delivery, care of the newborn and care of the new mother.

All prospective parents are invited to attend. Pre-class registration is not necessary. Mrs. Albert Roney, RN head nurse on maternity floor is in charge of the program. For further information interested persons may contact her at TR 6-2020.

Madison School Board Calls Special Meeting

A special meeting of the Madison board of education will be held at 7:30 p.m. tomorrow to hire a counselor-assistant principal for Madison high school and discuss and decide what improvements will be made on buildings and grounds this year.

The meeting will be held at the board of education building, 1707 Fourth street.

January Meeting Of C. Of C. Board Set

The board of directors of the Tri-Cities Chamber of Commerce will hold its January dinner meeting at 6 p.m. tomorrow at the Rose Bowl restaurant, according to Chester L. Baker, president.

Reports are scheduled by the Industrial Development, Program, Planning and Zoning, Sewerage and Drainage and Membership committees.

AN OPEN LETTER —

Fellow Granite Cityans:

My name is Kenneth S. Hartbarger. This is to announce that I will be a Candidate for Alderman in the 6th Ward on April 2. Many of you know me as a businessman, friend and leader in the too-often-forgotten "Nameoki Area."

My wife Gay and daughter Marilyn reside with me at 2902 Pershing Boulevard. I have been a resident of this community for more than ten years, since my marriage to Gay who is a lifelong resident of Granite City and Madison. I am 35 years old.

The incumbent alderman is seeking re-election at age 74. The city hall group is supporting him. We in the 6th Ward have shown a rebellious attitude toward machine-type representation. No longer can we afford this for ourselves or our children.

I believe we must elect a younger, more progressive-thinking man — a man physically and mentally capable of more aggressive leadership.

If elected I promise to be the hardest working alderman the 6th Ward has ever known. The doors of my home always will be open to the constituents of this ward and my phone always will be in service for any and all calls.

I pledge myself to the following if elected:

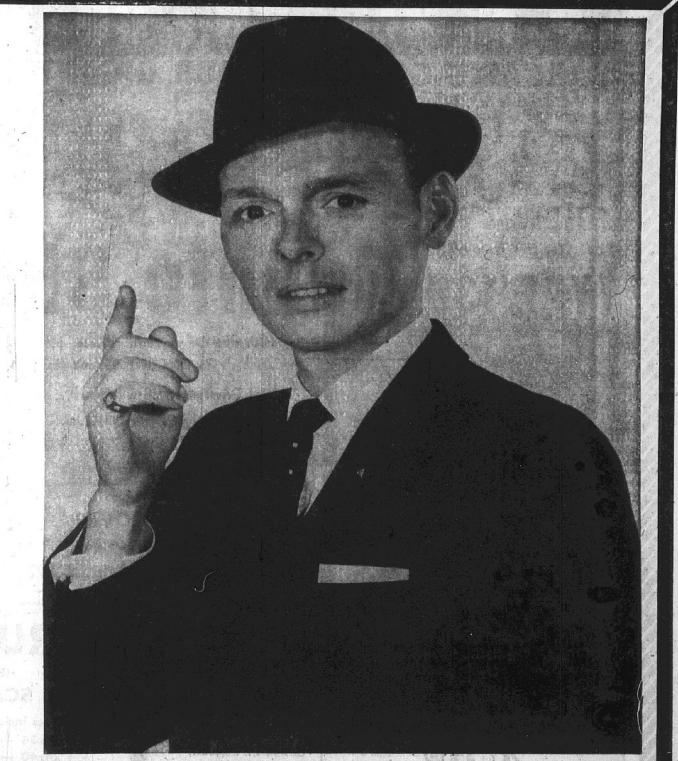

- (1) I shall work vigorously for the initiation of an Official Priority Listing of MFT Projects within the city. I will make every effort to insure that Nameoki Road heads that list and the widening of Johnson Road be placed ahead of some less-needed projects now in the hopper. Also included for early completion should be work now planned for the Community Heights area.
- (2) I shall oppose always the expenditure of tax dollars which to me seems contrary to the public interest. The incumbent alderman who seeks re-election voted recently to put a bill for such an expenditure on first reading. Two years ago I personally imposed on this alderman and others to vote against a similar bill.
- (3) I pledge always to vote the way my constituents direct. For example, the alderman who seeks re-election on his record voted "No" to the fluoridation proposal even though we, his constituents, voted an overwhelming "Yes" at the polls. This is questionable representation to say the least; in my opinion, it is reverse representation!
- (4) I promise to push for Council action to end the unsightly blight that once was a graveyard in the East Granite area near Kirkpatrick Homes. This eyesore to the city can and should be eliminated.
- (5) I shall oppose continuing Council sanction of the health menace and public nuisance created by large fires being set near residential areas along East 23rd Street.
- (6) Most of all, I'll be a "working alderman"—not a "Yes Man" for some private interests or politicians. I intend to work hard at getting elected to this aldermanic post. If elected, I promise to go to City Hall with absolutely no special commitments but with an equal commitment to each constituent of the 6th Ward and to represent him or her to the best of my ability in all Council actions.

My ten years in the Quad-Cities are without blemish and of this I am proud—as I am proud of our 6-year-old daughter.

- ★ I have been and now am active in local Fraternal work.
- ★ I served as an officer in one of the local lodges during 1960 and 1961.
- ★ I am a member of Marshall School P.T.A.
- ★ I am a member of the local Chamber of Commerce.
- ★ I am a member of the Tri-Cities Community Concert Association.
- ★ I am a former member of Boilermakers Local #575; am currently a member in good standing of Local #102.
- ★ I am a member of the Madison County Young Democrat Club.

I'd greatly appreciate your careful consideration of my candidacy. Thank you.

Sincerely, your friend,
Kenneth S. Hartbarger

ICC To Rehear Water Rate Case; Date To Be Set

The Illinois Commerce Commission last week granted the rehearing requests of all five intervenors in the water rate increase case, which was concluded last Nov. 21 after nearly a year of hearings.

The requests for rehearing were submitted by the local Large Water Users Group, the St. Clair County Large Water Users, the municipality of Caseyville, Monsanto Chemical Co. and East St. Louis & Interurban Water Co.

No date for the rehearing was set by the commission. The local Large Water Users group is objecting to the high rate of return on the utility's common stock, resulting from the 12.75% rate of interest, and the application of the increase across-the-board with no regard to the cost to serve a customer. Caseyville and the St. Clair Large Water Users are objecting to the different rates for low and high elevation areas served by the water company, while Monsanto Co. points out that with an investment of \$1,376,000 it could supply its own water at a lower cost.

The water company was seeking a 33% rate boost and in filing for rehearing contended the 12.75% rate hike granted should have been higher.

The local Large Water Users group is composed of 23 industries in Madison county and the low area of St. Clair county.

Colorful Procedure

Streamlined Reporting Is Inaugurated By Fraundorf

Madison county sheriff's deputies were instructed Friday in the use of 13 new, varied-color reporting forms introduced by Sheriff Barney Fraundorf.

The new forms are similar to those used by the Madison police department, where Fraundorf was chief for many years. They replace old white forms used for general investigation and accidents. The new forms provide more detailed classification of reports and may be recognized immediately by their color.

Through cross-indexing it will be simple to find all reports on incidents involving an individual.

The forms range from wine red for hospitalization case reports to white for accident reports.

Other shades and colors identify general case reports, crimes against persons, auto thefts, vehicle tow reports, worthless document cases, missing persons reports, supplementary reports, miscellaneous incidents and lost and found reports, arrest cases and burglaries.

Reports will be kept on hand for instant reference according to color with a master record on the top of each stack. After a time they will be filed.

In the past, reports were hand-written and filed in fewer categories.

Parked Car Damaged
William Haug, 2325 Lincoln avenue, reported to police Sunday morning that the left side of his auto was damaged when it was parked on the lot at Sacred Heart Church. A license number supplied by a witness listed a Madison resident as the owner of the auto which struck Haug's car, police said.

HEARINGS SCHEDULED FOR FOUR THIS WEEK
Hearings are scheduled for Thursday for four men arrested Dec. 27 in a disturbance at Cliff's grill, 19th and State streets.

Floyd R. Ellis, 23, of 2429 Devereux avenue, is charged with fighting and creating a disturbance.

Eddie Odell, 23, of 2940 Myrtle avenue, is charged with fighting and creating a disturbance. He was treated at St. Elizabeth Hospital for a cut on the head, following the disturbance.

Clyde Odell, 27, of 2932 Missouri avenue, is charged with fighting, refusing to obey and drunkenness.

Joseph Wade, 19, of South Roxana, is charged with fighting, creating a disturbance and illegal possession of dangerous drugs.

All registered nurses employed by St. Elizabeth Hospital are expected to attend the "Continuing Educational Program for Nurses," to be given Thursday at 7:30 p.m. it was announced today by Sister Mary Thomas, administrator.

For this, the first meeting of the new year, Mrs. Marieta Daniels, R.N., director of nursing service, has obtained as guest speakers Dr. Herbert Zimmerman and Dr. Martin Bergman. Both doctors give their time and services to the heart clinic of St. Elizabeth Hospital.

This clinic is held every other Saturday in the emergency room of the hospital. Both Dr. Zimmerman and Dr. Bergman are on the staff of Jewish Hospital. The subjects to be covered are "Medical Aspects of Heart Disease" by Dr. Zimmerman and "Surgical Aspects of Heart Disease" by Dr. Bergman. Both physicians are specialists in the field of cardiac disease.

Parking Revenues Down During Past 12 Months

December parking receipts brought the total for the year to \$39,244 which was the lowest yield in the past 10 years. The previous low year was 1953 with \$39,433.

Other yearly totals during the period were 1954—\$40,550, 1955—\$42,845, 1956—\$49,286, 1957—\$46,061, 1958—\$43,898, 1959—\$42,509, 1960—\$41,733, and 1961—\$42,922. Total receipts over the 10-year period were \$427,611. The 1962 receipts, therefore, were \$3517 below the 10-year average.

The general decline in parking revenue may be attributed largely to increased facilities provided by merchants and the growth of shopping centers. Total collections from parking meters were \$37,007 and parking fined amounted to \$2237. The average parking revenue during the 306 days of meter operation was \$121 or 87 less than the average for the year.

The year's largest meter revenue was in May with \$3960 while the greatest month for parking fines was February with \$305.

A breakdown of the past year's meter collections is as follows: January—\$2711, February—\$2966, March—\$2816, April—\$3120, May—\$3960, June—\$2704, July—\$3480, August—\$2949, September—\$2874, October—\$3631, November—\$2843 and December—\$2553.

The 1962 parking fines were as follows: January—\$50, February—\$305, March—\$188, April—\$203, May—\$234, June—\$176, July—\$143, August—\$286, September—\$218, October—\$213, November—\$155 and December—\$64. The average daily revenue during December's 25 days of meter operation was \$121 or 87 less than the average for the year.

WE'RE STUCK!

WITH BEAUTIFUL(?) FURNITURE, THAT IS!

There's no one to blame but ourselves, or more specifically, our "bright" buyers. (Guess that's hitting below the belt. The best of us make mistakes! But why so many?) This ad contains the buyers' boo-boos since the beginning of the year. (Don't ask which year!) Showing them didn't sell 'em. Maybe "giving them away" might! At least, it's worth a try! Our buyers loved them enough to buy them once. Could be, you're a kindred soul... at the right price, that is! So read 'em and reap. As for ourselves, all we can say is "ouch"!

An oil furnace explosion in Morlock's Interior Decorating shop, 2700 Madison avenue, caused about \$1500 damage at 8:45 a.m. Saturday. It was reported by the proprietor, Earl Morlock, 2001 St. Bernard avenue.

Morlock said he was alone when the shop and was alone when the furnace in the store room exploded, disintegrating the furnace and knocking displays off the walls.

"We had just finished cleaning the shop, and now we'll have to do it all over again," Morlock said. He estimated the damage at \$700 to the furnace and \$800 to items and equipment in the shop. There was no blaze and the fire department was not called to the scene. Morlock said the cause of the explosion has not been determined.

Madison Lions To Host Trojan Football Team

Members of the Madison high school football team will be guests of the Madison Lions Club at a Thursday night dinner, with quarterback Charlie Johnson of the St. Louis football Cardinals as guest speaker.

The dinner will be held at the Sportsman's Club, 1001 Iowa street.

Plans for the event were discussed at the club's "steak night" dinner meeting last week.

St. Clair County Trial For Markovich Postponed

A rescheduling is scheduled in the trial of Frank G. Markovich, 20, of 1638 Third street, Madison, in St. Clair county on a burglary charge. He was indicted Dec. 11 for an alleged burglary July 16.

His trial was set for Friday, but the St. Clair county state attorney's office said today a busy docket prevented the court from reaching Markovich's case. No new date has been set.

Dan Brown Honored By Scouters At Tea

About 100 Scouters and wives of Unihai District honored their departing district executive, Daniel Brown, and his wife, Hazel, at a farewell tea Sunday at Concordia Lutheran church.

District Commissioner Bernard Miller Jr. presided for a series of short talks honoring Brown and at a presentation of gifts.

Gene Sternberg, council president, presented a crystal bowl to Mrs. Brown from the local Scouters. Camping chairman Joseph Lane, commissioners Glen Hommer and Bernard Miller Jr. and the district chairman, Allen Jesse, presented Brown with a Scouters' shirt, blazer and brief case.

Roundtable assistant district commissioner John Slay represented the Cubmasters, Elmer Eckert, the Scoutmasters and Hommer and Bernard Miller Jr. They thanked Brown for his contributions to Scouting in the Quad-Cities.

Brown praised the Scouters of the Unihai District for their work during the past six years he served here. He particularly recognized the help of field executive Clay Brishan, who will assist the local Scouters until a new district executive is hired.

Mrs. Elsie Rodell of the women's reserve presided over the tea, assisted by several of the wives.

Child Who Swallowed Pin Under Observation

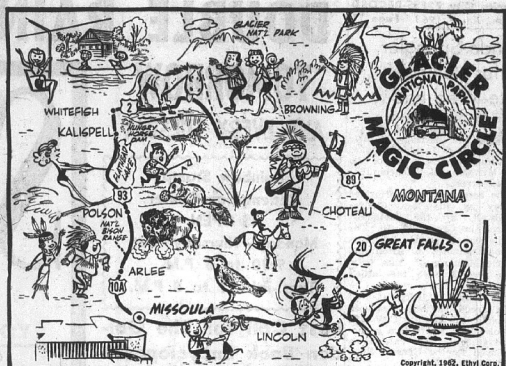

Mr. and Mrs. Floyd McKinney, 2425 Sheridan avenue, were advised to keep their 21-month-old daughter, Mildred, under close watch since she swallowed a closed safety pin.

The infant was taken to St. Elizabeth Hospital Thursday afternoon for x-rays.

Montana's scenic splendor is the top ingredient of a fun-filled Magic Circle auto tour starting at Missoula. Pride of its citizens is Montana State University with its ultramodern buildings such as the striking School of Music, shaped like a grand piano.

North is Arlee, annual scene of a colorful Indian powwow and, nearby, the shaggy monarch of the National Bison Range. Polon offers a magnificent view of Flathead Lake,

water playground and fisherman's paradise. Beyond Kalispell, hospitable crossroads of transcontinental highways, Big Mountain towers over Whitefish. There is a magnificent panoramic view from its 3,000-foot ski chair lift. Hungry Horse Dam, a giant hydroelectric project, offers an interesting self-conducted tour.

Unforgettable is the serene grandeur of Glacier National Park's jutting peaks, 60 living glaciers, 200 ice blue lakes, meadows of vivid wildflowers, grandiose forests, elfin moun-

tain goats, a thousand miles of wilderness trails, and a wondrously beautiful Going-to-the-Sun Road. Near Browning, on the Blackfoot Reservation, the Museum of the Plains Indian exhibits colorful dioramas, murals and artifacts. Top attractions of Great Falls include the rip-roaring annual State Fair, Giant Springs, discovered by famed explorers Lewis and Clark and pumping more than 16 million gallons per hour, and the Charles M. Russell Gallery, displaying some of the Western artist's finest works.

Dressel Dairy And Drivers Agree On Two-Year Contract

A new labor agreement, which radically changes the previous method of compensating dairy driver salesmen, has been reached by Dressel Dairy Co. and Teamsters Local 525 the dairy announced today. The firm employs about 30 drivers.

Jon L. Dressel, president of the dairy, said that the new two-year agreement is "more in tune with the times," and expressed appreciation that driver employees and their union representatives recognized the need during negotiations for making certain adjustments in the commission rates earned by drivers serving large wholesale customers.

"The old wage and commission rates, which were initiated in the mid-1930s, were meant for a distribution system in which 90% of dairy products were sold to retail outlets," he said.

The old contracts called for drivers to receive 15 1/2% of retail sales and 3% of wholesale sales in addition to their base wages, according to Dressel.

Beginning Aug. 1, 1963, and because the nature of dairy product distribution is greatly changed today, with a vastly larger proportion delivered to food stores of varying sizes, driver employees have agreed to a new contract calling for different driver compensation for four classifications of delivery routes. Classifications are as follows:

Classification A—Routes serving very large food stores. Straight hourly wage of \$4 per hour, with guarantee of \$160 per week for a 42 1/2-hour week.

Classification B—Routes with moderately large to medium-size food stores. \$140 per week guarantee against which is applied a commission of 9% of the first \$8000 of sales, and 2% of sales in excess of \$8000 for a 42 1/2-hour week. Routes outside of Madison and St. Clair counties because of distances involved would be paid on the basis of a 47 1/2-hour week. All butter and ice cream sales pay commission of 2%.

Classification C—Home delivery routes. \$110 per week guarantee against which is applied commission of 17% of sales to homes and 7% of sales to wholesale accounts. Drivers in this classification are permitted wholesale distribution up to 40%. If this percentage is exceeded, they are required to move into Classification B. All butter and ice cream sales pay a 5% commission.

Three Charged With Gang Rape Of Venice Girl

Three young Venice and West Madison men have been bound over to the Madison county grand jury for the alleged gang rape of a 14-year-old Venice girl.

Waiving preliminary hearings the charge Thursday before Venice Police Magistrate Wesley Edwards were Phillip A. White, 19, of 1229 Logan street, Venice; Floyd Jenkins, 18, of 114 Lee Wright Homes, Venice; and George E. Spearman, 22, of 813 Jefferson street, West Madison.

White and Jenkins have signed statements admitting their part in the Wednesday night incident. Both said Spearman was the one who forced the girl into an auto and held her while Jenkins drove to a vacant area near Eagle Park Acres where the attack occurred.

The girl told police she was in a Venice drug store when another girl entered and said someone out front wanted to see her. She said she went outside, where she was met by the three men. One of them dragged her into the auto, the girl told police, and they drove her to a deserted area where each one raped her. She said they later drove her back to Venice and released her. Police said her mother brought her to the station and reported the incident, and the three men were arrested a short time later.

White lies on leave from the U. S. Navy, scheduled to return to his ship at Long Beach, Calif. Jan. 15, according to police. Bond for each of the men has been set at \$1000.

Near Perfect Prediction Of 1962 Accidents Made

The Granite City police department records office underestimated the number of traffic accidents that would happen in 1962 by only three. It was predicted there would be 1030 accidents and there were 1033.

Two persons were killed and 318 injured. In 1961, there were 1056 accidents with three killed and 371 injured. In spite of the excellent prediction over the year-long period, the forecast for December was off by 18 accidents. Ninety-seven were predicted but there were 115. The unexpected increase was due largely to slippery streets on several occasions.

The December accidents involved two with pedestrians, 95 with other motor vehicles, two with railway trains, one with a bicycle, one with a fixed object, two in which vehicles overturned on the road and 12 in which vehicles ran off the road.

December accidents resulted in 37 injuries. Madison avenue was the worst street for accidents as usual with 19 occurring there. More accidents happened on Fridays than on any other day—26 and from 5-6 p.m. the worst time with 15 accidents happening at that hour during the month.

In December 1961 there were 132 accidents with 42 injuries.

No Food Stamp Plan Expected Here Now

There are no known plans at present for extending the federal food stamp plan of assistance to Madison county, officials at the Madison county Department of Public Aid said Friday.

"So far as we know," a public aid spokesman said, "there are no plans for extending the program in Illinois beyond the present pilot program in Franklin county."

Under the plan, needy families are issued stamps which may be redeemed at grocery stores for food. Primary purpose is to provide an improved and varied diet over that supplied by the distribution of surplus food.

The food stamp plan has been started in St. Louis, and some people have speculated it might be extended soon to Madison and St. Clair counties. An estimated 10,000 persons would be eligible to receive such assistance in Madison county.

The Public Aid official said she is in no position to report authoritatively on the subject, but doubts that the food stamp plan will be extended here unless it is made state-wide.

Loot From Burglaries Recovered Here

Granite City police recovered a stolen television set, the warranty for another and a stolen pay telephone Thursday in the search of a Granite City man's home. Also found was what is believed to be a set of burglary tools.

The items were found of the premises of Kenneth Eugene Boelling, 23, who was in the process of moving from a house in the 2900 block of Roosevelt avenue to a Nameoki area trailer park. He has been charged with burglary and is free on \$3000 bond.

Charged with him are Jack McLean, who is currently serving 30 days in the county jail on a theft charge, and Robert J. Bordoni, 20, of Collinsville.

The three were apprehended Thursday by Granite City police week ago after the description of an auto used in a burglary in Edwardsville was broadcast.

Bond for McLean and Bordoni on the burglary charge also is \$3000 each.

Mrs. Louise Lexow, 76, of Mitchell was admitted to St. Elizabeth's Hospital Friday night after suffering a dislocated left shoulder in a fall at home. She was reported in good condition today. Among those treated at the hospital emergency room Friday was Shawn Ryan, three, of 2211 Edison avenue, who had a piece of a toy lodged in his nose. He was released after his removal.

Arrested At Bridge

Venice Police Magistrate Wesley Edwards set fines and costs of \$30 Saturday in a hearing for Ronnell Jordan, 23, of St. Louis. Jordan was arrested early Saturday at the east end of McKinley Bridge for passing a stop sign at Broadway and Klein street and refusing to pay toll at the bridge.

How to Provide Extra Protection At Less Cost

We call this telemeter receiver our "Electronic Watchman." That's a good description because, believe it or not, it's keeping an eye on an elevated tank some miles distant from this receiving point. If the water level should drop too low, our "Electronic Watchman" will record it on the chart. That's the signal for our operator to get on the ball and find out why! This is a big time and money saver — and extra protection for our customers.

Thursday, Jan. 6, 1938
Building activity in Granite City last year was the greatest since 1929 with permits issued for a total of \$138,000 in residential construction, according to the annual report of the City Clerk Edwin Rigg. The 1937 permits ranged from \$100 for a garage to \$15,000 for large pretentious residences near Wilson park.

Mayor Dr. J. E. Lee was unanimously re-elected chairman of the Venice President's birthday ball committee Monday night at a meeting in the city hall with almost 100% of the members present. Other officers chosen were John L. Fichte, re-elected as president; E. H. Bueche, re-elected as secretary and Larue Baxter as treasurer.

Harry Popple of the Country club said last night that yesterday was such a fine day he played 18 holes. Popple's course was never better or the weather finer, he said. He did manage to break his glasses, however.

Joseph Ahlers, 219 Washington avenue, left Tuesday for the San Diego Naval Training Station where he will receive two months training. Ahlers was sent to the Pacific Coast trade school.

Miss Eleanor Cowley, student nurse at St. Elizabeth's hospital, resumed training this week after six months off for illness.

The Young People's division of the Federated met in St. Trinity church, Madison, for its first social and business gathering of the year Monday night. Boris Filloff was elected president for the coming year and Miss Mary Petroff was elected vice-president. John Christensen was elected new secretary and Vasil Vasiloff treasurer.

Mrs. C. C. Bowen and her mother, Mrs. E. A. Carl, returned Tuesday from Little Rock, Ark., where they spent the holidays with their son-in-law and daughter, Mr. and Mrs. Noel Rusk.

Robert Shillito Jr., departed Monday for New London, Conn., to resume his duties with the U.S. Coast Guard after spending the holidays with his parents, Mr. and Mrs. R. L. Shillito, of State street.

Andrew Gaspargue established a new high single game record of 243 in the Tuesday Night church league this week at the YMCA. He bowled 500 for the three games.

Joseph Wierzer has been elected president of the Hungarian Home association for 1938. Other newly-elected officers are John N. Nagy, financial secretary; Andrew Holo, treasurer; Anton Schall, recording secretary; Steve Verek and Davis Nagy, auditors, and J. Petrus, caretaker.

DEMOCRATS ASSEMBLING BUTLER NEWS

To the Editor:
A news article announcing that the Democrats plan to file an anti-administration petition in the Granite City election in April is "just ducky." This is the very thing we are fighting against; it is like voting to retain the present leaders.

Don't Mr. Allen know that city officials are supposed to be elected from non-partisan districts? I wonder if the "ticket" will be a solid party slate, made up of Democratic party members just now greedy can you Democrats get it?
Granite City has a few thousands and Republicans and independent voters who, after 20 years under the domination of the Democratic party, want and need a change from waste and extravagance.
Granite City needs men of ability in public office men who are interested in what they can do for our city in what the city can do for them, or in building up a political machine. I hope the voters will not be fooled by this attempt to set up a political dynasty. I hope they will elect someone who can help city get new industry so there will be more jobs who can improve our labor and tax structure so we are not priced out of the market, who will not burn fire palaces or gold-plated sewers.

Rev. Paul Evans, pastor of the First Assembly of God Church, 24th street and Grand avenue, is conducting a series of radio programs — "Communism and the Christian Faith."

The special programs are being held at 7:30 p.m. every Wednesday at the church and will continue through March 20.

Rev. Evans said the need for a study series on communism was stressed by such leaders as Evangelist Billy Graham and J. Edgar Hoover of the Federal Bureau of Investigation.

Graham has said, "The church is the rim of the Communist world is far more aware of us are," while Hoover has stressed, "The church today has a vital responsibility in unmasking the false pretensions of communism." Rev. Evans pointed out.

Much Of New Legislative Session Will Be Devoted To Court Revisions

When the 1963 Illinois General Assembly session begins, legislators will be confronted with such already-filled bills as creation of a state crime investigating commission, replacement of the Public Aid Commission with a new state code department, establishment of a Cook county election commission and compulsory auto safety belt installation.

Revenue, redistricting and the House speaker post rank among the most controversial topics, but much of the interest will center on the estimated 500 new laws necessary to implement the court revision guidelines approved by voters two months ago. As is the case with other legislation, Quad-Cityans can and should relay their views to Senator Simon and Representatives Harris, Smith and Kennedy.

The Legislative Reference Bureau is busily preparing the more routine judicial changes. The Judicial Advisory Council headed by Sen. Dixon and the Joint Committee on the Judiciary, including bar association representatives and led by Prof. Trumbull of Northwestern University, are working on key recommendations. The various organizations of judges, clerks, magistrates, justices, and county and township officers are the pay for judges, magistrates, and justices.

County and city courts are to be merged into a unified court system, with circuit and appellate courts operating under the administrative control of the Illinois Supreme Court. Issues which may stir controversy are the pay for judges, mandatory retirement, pensions, where to vest the appointive and administrative powers of county courts, and limitations on the number of magistrates.

Other decisions pending include the number of court clerks and whether they will be elected or appointed, distribution of county court patronage, whether county election boards will be named by circuit judges or by county officials or boards, qualifications and jurisdiction of magistrates, and sequence in nominating judges, the latter a vital issue for judges hoping to advance to higher courts but to have the way cleared for them to run on their record for previous judicial posts.

The legislative session will be eventful, and extremely important to the success of the court reform movement endorsed by Illinois voters.

Breakthroughs During Past Year May Lead To Dramatic Medical Advances

The Illinois Medical Society, which supplies the "SafeGuard Your Health" column for this page, believes 1962 will prove to be one of the most significant in the history of medicine. It will be the first year produced as many as 100 new medical breakthroughs.

Dr. Newton DuPuy, chairman of the board of trustees, has told the Press-Record, adding that the breakthroughs will be the way toward the host of dramatic advances in the next several years.

One of the most important developments is the identification of DNA, or deoxyribonucleic acid, as the basic substance responsible for transmitting the hereditary characteristics of all living things.

Elder Citizens Survey By Census Bureau Here

A special survey of "senior citizens" will be made by the U.S. Census Bureau in January with the January current population survey here.

Theodore F. Olson, regional director of the bureau, said special questions will be asked of older people, in addition to regular monthly inquiries on employment and unemployment.

The current population survey will be conducted in the Quad-City during the week of Jan. 14 by Mrs. Mary Isbrecht, 4241 Highway 14.

These residents of sample households 62 years of age or older will be asked additional questions concerning their health, mental and dental status, income and related items.

McMillin Given New Post At Commonwealth

Gordon L. McMillin general manager of the Commonwealth Division of General Steel Industries, Inc., was named to the post of vice-president of the division, it was announced Friday by E. P. Whitehead, GSI president.

McMillin has been general manager of the local division since early last year when he returned from Canadian Steel Industries, Ltd., the Canadian licensee of GSI, he was president there.

He joined General Steel in 1942 as a marketing and sales manager, was promoted to assistant manager in 1951 and to general manager in 1954. He moved to Canada in 1954. He resides in St. Louis county.

PAST PRESIDENT OF UNIT 113 PRESENT DONATIONS

The Past Presidents Party of the Venice Rotary Club met Wednesday evening at the home of Mrs. Jack-

Further studies may enable mankind to predict and control hereditary factors.
A new drug capable of curing herpes simplex, a virus disease which sometimes causes blindness, gives hope of finding other virus cures.

Proof was uncovered that the thymus gland is the seat of the body's defense mechanism that usually rejects medical transplants. Work with the gland and its secretion may soon make it a common procedure to replace worn and diseased human parts with those of another person.

Specialists developed two methods of stimulating failing hearts. One process uses an electrical shock to make the heart continue beating; the other uses chemical stimulators implanted within the heart to maintain an even beat.

Surgical means were developed to replace blood freezing was used. Freezing was used to freeze within the brain, stopping the tremor and rigidity associated with Parkinson's disease. Another freezing technique brought success in treating peptic ulcers.

Much of the effort in drug development again was directed at cancer. "Though no one drug proved completely successful, several may point the way toward possible breakthroughs in this field," Dr. DuPuy reports.

Gains were noted in use of super-toxic doses of drugs. It was found that normally fatal doses could be used in certain sections of the body tied off from the regular blood supply and kept alive with heart-lung machines.

New-type penicillins are more efficient against drug-resistant bacteria and less likely to cause allergic reactions.

New strides in vaccines include a measles vaccine, not yet on the market. Also isolation of the rubella virus may have opened the way for development of a vaccine for German measles, the disease which can deform unborn children.

Another new vaccine promises success in malaria immunization.

The state medical society concludes by noting that the major portion of medical effort continued during 1962 to concern itself with breakdowns rather than breakthroughs.

Economic Study Shows Zoning, University Essential For Adequate Industrial Growth

In its report to the Southwestern Area Study Commission, the Subcommittee on Economic Development cites rapid population growth—and the need for industrial growth to generate a corresponding amount of economic activity, jobs and assessed valuation.

Two major methods listed for attracting more manufacturing and zoning, which is a prerequisite for firms considering locating in a community, are university graduate study to aid in industrial research and development. Since the start of Southwestern University construction hinges on Madison county zoning, there are dual reasons why zoning must be adopted—and quickly.

The subcommittee notes that universities are not serving the needs of industries in many midwestern areas. This contrasts sharply with the east, where much scientific research is conducted on university campuses. As a result, the midwest is failing to take advantage of a potentially strong magnet for industry.

And the subcommittee points out that zoning controls are the essential "foot in the door" for conferences with prospective plant operators.

Also the 907-acre, 28,600-acre industrial land located on the Illinois River, 28,600 acres, cannot be kept free of haphazard development without zoning.

The study group poses this question: "Will expansion be continuing to take over overall plan, or will the growth take on a 'topsy-like aspect'?" The answer will be given now, for zoning is effective only when it precedes development of new areas.

HEALTH AND HUMIDITY

The comfortable, invigorating air of perfect spring and summer days is due to the relationship of humidity and temperature. The human body has wonderful defense mechanisms for warding off infections. These barriers—the skin, lining of the nose and throat, and other such parts of the body perform their part in preventing the introduction of micro-organisms much more effectively when proper humidity is present.

Many winter-time respiratory troubles can be reduced when proper humidity is maintained.

Since bacteria is dust-borne, and since too-dry air contains more dust and increases dust dispersion more than properly humidified air, the result of correct levels of humidity is a substantial reduction in the bacteria count. When you ask your family physician what he recommends or prescribes to overcome a common cold, one of the suggestions usually is, "to place a vaporizer in the room." Why? HUMIDITY!!! Sinus victims, try humidity.

Why not have this healthful, comfortable humidity in the entire home ALL WINTER LONG and help prevent colds. GIVE YOUR NOSE A REST.
